Dance Avenue extends a warm welcome to each and every one of you to our new and exciting dance studios.

Dance Avenue offers classes in Ballet (R.A.D) Tap, Jazz, JFH (Jazz Tap & Hip Hop), Boys Hip Hop, Break-dance, Tiny Tots Class, Acrobatics, Modern / Contemporary, Latin/Salsa, Singing/Drama, SKAT (Stretch Kick And Technique) and Ballroom. Classes start from the age of 2 years to Adults.

At Dance Avenue our aim is for dancing to be fun and for all to enjoy. Our teachers are dedicated, they enjoy teaching and want their students to enjoy and learn at the same time.

Our studios are fully air – conditioned so learning to dance will be more comfortable and enjoyable.

While your children are learning to dance why not stay and enjoy a nice cup of tea or coffee at our shop. While your children are waiting for their class to start or are on a break we have a corner set up for them to do their homework. For the little ones waiting on the big brothers or sisters there is the toy corner or they can sit back and watch a DVD or video.

At Dance Avenue we wish to offer all students encouragement, opportunities and to learn in a safe and caring environment.

One of our studios is also available for hire for Birthday Dance parties. For more information enquire at the front desk.

Once again we would like to welcome you all to Dance Avenue
